## Application for information from the register of professional driver qualification (driver qualification card).

### Hints:

The register stores data on the driver qualification card since May 23, 2021. Certificates of professional competence can be sent to the register from October 25th, 2021.

Please ask your training institution or the chamber of industry and commerce for missing information.

**For missing information, please contact your training center, the IHK or driving license authority.**

I apply for information from the Register of driver qualification card.
