

Benannte Prüflabore

Designated test laboratories

Die Benennung umfasst über den angegebene Stand des Rechtsakts hinaus alle weiteren Stände bis zur Veröffentlichung eines neuen benennungstechnisch relevanten Standes (s. Kennzahlenkatalog auf www.kba.de). Der Scope bezieht sich nur auf die Gesamtbennennung und lassen keine Rückschlüsse auf eventuelle Standorte zu.

The designation incorporates the revision of the regulatory act as given below as well as all further amendments up to publication of a new designation relevant state (see Scope classification directory at www.kba.de). The scope refers only to the designation in general and does not allow any conclusions about the scope of possible single sites.
